## **PURPOSE**

Canadian Sport Institute Pacific, through a partnership with the Province of British Columbia (BC), viaSport, the network of PacificSport centres, and Rowing BC, collaborates to deliver programs and services to place BC athletes<sup>1</sup> onto National Teams, and ensure athletes and coaches have every advantage to win medals for Canada. The partners work jointly to encourage sport excellence and increase podium performances in communities throughout BC.

Canadian Sport Institute / PacificSport athlete and coach support for the Podium and Canadian Elite nomination focuses on athletes and teams 0-4 years from the international podium, identified by the sport-specific Podium Pathway (see Figure 1 below) and Gold Medal Profile. These athletes and teams represent the current generation of National Team athletes who are carded by the NSO through Sport Canada's Athlete Assistance Program.

Canadian Sport Institute / PacificSport athlete and coach support for the Canadian Development and Provincial Development nomination focuses on athletes and teams 5-12 years from the international podium, identified by the sport-specific Podium Pathway (see Figure 1 below) and Gold Medal Profile. These athletes and teams represent both the next generation (5-8 years away) and future generations (9-12 years away) of Olympic and Paralympic (or World Championship) medallists. Support may be focussed more toward the future generation (9-12 years away) for some targeted Paralympic sports depending on the quality of the next generation (5-8 years away) of athletes and teams.

<sup>1</sup> In general, a BC athlete is defined as an athlete born, developed, and/or trained/centralized (for a minimum of three months) in British Columbia.

## DETAILS

Through the above partnership, and with the above purpose in mind, Rowing BC may nominate athletes and their coaches who meet specific criteria for Canadian Sport Institute Pacific / PacificSport athlete or coach registration. Upon registering, athletes and coaches can engage in enhanced programs, benefits, and selected support services through Canadian Sport Institute Pacific and the network of PacificSport regional centres in BC.

Canadian Sport Institute and PacificSport athlete support is divided into four levels based on performance, each with a slate of designated benefits. Please click on the following for an outline of Canadian Sport Institute athlete and coach benefits, programs, and services. Please see Appendix 1 for an outline of Rowing BC targeted athlete benefits, programs, and services as delivered through Rowing BC.

Targeted athletes are nominated by Rowing BC based on the athlete criteria below. Any enquiries regarding the sport-specific selection criteria can be made to Terry Paul, [terry.paul@rowingbc.ca](mailto:terry.paul@rowingbc.ca). As a general principle, all athletes are expected to demonstrate evidence of their ongoing performance progression and tracking toward Rowing BC high performance program benchmarks to remain targeted. Terry Paul and the Canadian Sport Institute technical lead working with Rowing BC have the final authority over the Canadian Sport Institute nomination process.

The athlete and coach nomination cycle for Canadian Sport Institute / Pacific Sport / Rowing BC runs from the 1<sup>st</sup> of January annually. Athletes are selected based on performances from the previous 12 months and the targeted list is confirmed by January 31. Athletes who meet criteria throughout the annual application and review will be added to the Rowing BC targeted athlete list.

Once the athlete has been nominated by meeting the requirements listed within the document, he or she will be notified by Rowing BC and will be provided with information on how to register with his or her local Canadian Sport Institute campus or Pacific Sport regional Centre.
