## PURPOSE

Canadian Sport Institute Pacific, through a partnership with the Province of British Columbia (BC), viaSport, the network of PacificSport centres, and BC Ringette Association, collaborates to deliver programs and services to place BC athletes<sup>1</sup> on national teams, and ensure athletes and coaches have every advantage to win medals for Canada. The partners work jointly to encourage sport excellence and increase podium performances in communities throughout BC.

This template provides a standardized process with which to identify athletes and coaches within the BC Ringette Association high performance program as well as athletes who are tracking against key development pathway metrics toward national teams. The levels within the targeted pathway seek to create a common standard across all sports; hence, the template must be used in its entirety. PSO/DSOs are able to adapt the template to suit their own purposes (e.g. branding, application process, etc.) provided all relevant information is contained within.

Canadian Sport Institute / PacificSport athlete and coach support for the Sport Canada AAP Carded nomination focuses on athletes and teams 0-4 years from the international podium, identified by the sport-specific Podium Pathway (Figure 1) and Gold Medal Profile. These athletes and teams represent the current generation of national team athletes who are carded by the NSO through Sport Canada's Athlete Assistance Program.

Canadian Sport Institute / PacificSport athlete and coach support for the Canadian Development and Provincial Development nomination focuses on athletes and teams 5-12 years from the international podium, identified by the sport-specific Podium Pathway (Figure 1) and Gold Medal Profile. These athletes and teams represent both the next generation (5-8 years away) and future generations (9-12 years away) of Olympic and Paralympic or World Championship medallists.

**Figure 1 – Podium Pathway (LTAD 3.0)**

<sup>1</sup> A BC athlete is defined as an athlete born, developed, and/or trained/centralized (for a minimum of three (3) months in a twelve (12) month period) in British Columbia.

## DETAILS

Through the above partnership, and with the above purpose in mind, **BC Ringette Association** may nominate athletes and their coaches who meet specific criteria for Canadian Sport Institute Pacific / PacificSport athlete or coach enrollment. Upon completion of enrollment and onboarding, athletes and coaches can engage in enhanced programs, benefits, and selected support services through Canadian Sport Institute Pacific and the network of PacificSport regional centres in BC.

Canadian Sport Institute / PacificSport athlete support is divided into four levels based on performance, each with a slate of designated benefits. Please see Appendix A for an outline of **BC Ringette Association targeted** athlete benefits, programs, and services as delivered through BC Ringette Association.
