PURPOSE

Canadian Sport Institute Pacific, through a partnership with the Province of British Columbia (BC), viaSport, the network of PacificSport centres, and SportAbility collaborates to deliver programs and services to place BC athletes¹ onto National Teams, and ensure athletes and coaches have every advantage to win medals for Canada. The partners work jointly to encourage sport excellence and increase podium performances in communities throughout BC.

This template provides a standardized process to identify athletes and coaches within the SportAbility high performance program as well as athletes who are tracking against key development pathway metrics toward national teams. The levels within the targeting seek to create a common standard across all sports; hence, the template must be used in its entirety. PSO/DSOs are able to adapt the template to suit their own purposes (e.g. branding, application process, etc.) provided all relevant information is contained within.

Canadian Sport Institute / PacificSport athlete and coach support for the Sport Canada AAP Carded nomination focuses on athletes and teams 0-4 years from the international podium, identified by the sport-specific Podium Pathway (Figure 1) and Gold Medal Profile. These athletes and teams represent the current generation of National Team athletes who are carded by the NSO through Sport Canada's Athlete Assistance Program.

Canadian Sport Institute / PacificSport athlete and coach support for the Canadian Development and Provincial Development nomination focuses on athletes and teams 5-12 years from the international podium, identified by the sport-specific Podium Pathway (see Figure 1 below) and Gold Medal Profile. These athletes and teams represent both the next generation (5-8 years away) and future generations (9-12 years away) of Olympic and Paralympic or World Championship medallists.

¹In general, a BC athlete is defined as an athlete born, developed, and/or trained/centralized (for a minimum of three months) in British Columbia.

Through the above partnership, and with the above purpose in mind **SportAbility** may nominate athletes and their coaches who meet specific criteria for Canadian Sport Institute Pacific / PacificSport athlete or coach registration. Upon registering, athletes and coaches can engage in enhanced programs, benefits, and selected support services through Canadian Sport Institute Pacific and the network of PacificSport regional centres in BC.

Canadian Sport Institute and PacificSport athlete support is divided into **four levels** based on performance, each with a slate of designated benefits. Please click on the following for an outline of Canadian Sport Institute athlete and coach benefits, programs, and services.

Targeted athletes are nominated by **SportAbility** based on the athlete criteria below. Any enquiries regarding the sport-specific selection criteria can be made to **Donna Cumming**, donnacumming@sportabilitybc.ca.
