## PURPOSE

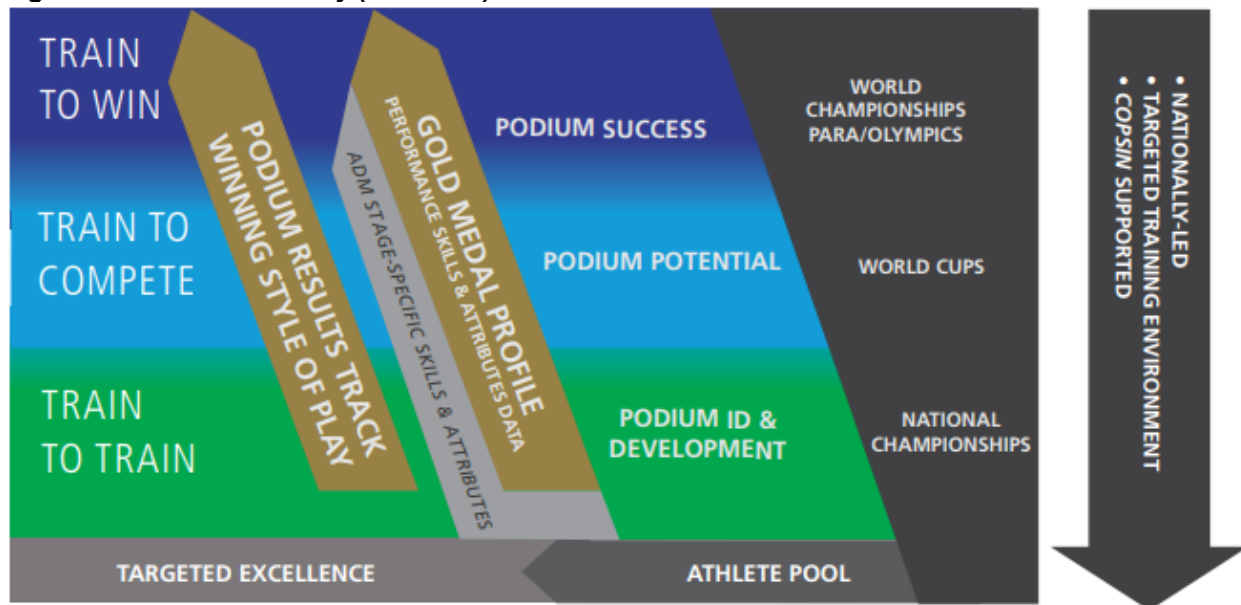

Canadian Sport Institute Pacific, through a partnership with the Province of British Columbia (BC), viaSport, the network of PacificSport centres, and Badminton BC, collaborates to deliver programs and services to place BC athletes<sup>1</sup> on national teams, and ensure athletes and coaches have every advantage to win medals for Canada. The partners work jointly to encourage sport excellence and increase podium performances in communities throughout BC.

This template provides a standardized process with which to identify athletes and coaches within the Badminton BC high performance program as well as athletes who are tracking against key development pathway metrics toward national teams. The levels within the targeted pathway seek to create a common standard across all sports; hence, the template must be used in its entirety. PSO/DSOs are able to adapt the template to suit their own purposes (e.g. branding, application process, etc.) provided all relevant information is contained within.

Canadian Sport Institute / PacificSport athlete and coach support for the Sport Canada AAP Carded nomination focuses on athletes and teams 0-4 years from the international podium, identified by the sport-specific Podium Pathway (Figure 1) and Gold Medal Profile. These athletes and teams represent the current generation of national team athletes who are carded by the NSO through Sport Canada's Athlete Assistance Program.

Canadian Sport Institute / PacificSport athlete and coach support for the Canadian Development and Provincial Development nomination focuses on athletes and teams 5-12 years from the international podium, identified by the sport-specific Podium Pathway (Figure 1) and Gold Medal Profile. These athletes and teams represent both the next generation (5-8 years away) and future generations (9-12 years away) of Olympic and Paralympic or World Championship medallists.

**Figure 1 – Podium Pathway (LTAD 3.0)**

<sup>1</sup> A BC athlete is defined as an athlete born, developed, and/or trained/centralized (for a minimum of three (3) months in a twelve (12) month period) in British Columbia.

## **DETAILS**

Through the above partnership, and with the above purpose in mind, Badminton BC may nominate athletes and their coaches who meet specific criteria for Canadian Sport Institute Pacific / PacificSport athlete or coach enrollment. Upon completion of enrollment and onboarding, athletes and coaches can engage in enhanced programs, benefits, and selected support services through Canadian Sport Institute Pacific and the network of PacificSport regional centres in BC.

Canadian Sport Institute / PacificSport athlete support is divided into four levels based on performance, each with a slate of designated benefits. Please see Appendix A for an outline of Badminton BC targeted athlete benefits, programs, and services as delivered through Badminton BC.

Targeted athletes are nominated by Badminton BC based on the athlete criteria below. As a general principle, all athletes are expected to demonstrate evidence of their ongoing performance progression and tracking toward Badminton BC high performance program benchmarks to remain targeted. Toby Ng, High Performance Coordinator and the Canadian Sport Institute technical lead working with Badminton BC, have the final authority over the Canadian Sport Institute nomination process. Any inquiries regarding the sport-specific selection criteria can be made to High Performance Coordinator at [performance@badmintonbc.com](mailto:performance@badmintonbc.com).

The athlete and coach nomination cycle for Canadian Sport Institute / PacificSport / Badminton BC targeting runs September 1<sup>st</sup> – August 31<sup>st</sup> annually, and athletes are selected based on performances from the previous 12 months. Athletes meeting criteria throughout the annual nomination cycle may be added to the Badminton BC targeted athlete list, on a case by case basis, by contacting the PSO/DSO Technical Representative High Performance Coordinator at [performance@badmintonbc.com](mailto:performance@badmintonbc.com).

## **ATHLETE/COACH ENROLLMENT**

Once the athlete or coach is nominated, they will be notified by Badminton BC and will be provided with information on how to enroll. All athletes and coaches must enroll with Canadian Sport Institute / Pacific Sport in order to receive athlete or coach supports and benefits.
